Road Report

Dave Chaulk gave an update on road conditions, and suggested developing a scope of work required. He advised that most if not all of the signage placed by the LSD has been stolen on Pioneer Line. Any new sign installation will have to be with tamper proof hardware.

He requested help in accessing the needs of the various areas of the road network. John and Charlie agreed to survey and assess Vineland Road to Marshland Trail and all cul de sacs in between and report back to Dave.

We also asked for help in exploring quotes for companies that have the type of equipment available that could do work for us.

He also advised that the snowclearing contract is up for renewal this year

Regionalization

The regionalization program by Government has been cancelled.

Information and the Website

Dave suggested developing a 'Welcome to the DPVR LSD' information kit that could be circulated via the website, many new owners have expectations that exceed the current service level.

He also recommended a plan to do bimonthly updates to the site.

Digit Mapping

This project is still on going. Dave asked John for help in has area to identify properties.

Holyrood Contract

The service contract with Holyrood is up at year end, and we will need to arrange a team to renegotiate it.
